PROFESSIONAL DUES OR FEES AND PAYROLL DEDUCTIONS— AGENCY FEE

6.1 The District will deduct from the pay of the Association members and pay to the Association the normal and regular monthly Association membership dues as voluntarily authorized in writing by the employee on the Association form subject to the following conditions:

6.1.1 Such deduction shall be made only upon written receipt of notice from the Association to the designated District representative that the appropriate written authorizations have been executed. Said form shall be duly completed and executed by the employee according to the requirements of the form.

6.1.2 The District shall put into effect any new, changed, or discontinued deduction by the next pay period if the Association has submitted the change by the district payroll deadline. By July 1 of each school year, the District will provide the MPEA President with that year's schedule of District payroll deadlines.

6.2 Authorization:

Any teacher who is a member of the Association, or who has applied for membership, may sign a form developed by the Association authorizing deduction of membership dues, initiation fees and general assessments in the Association. ARTICLE VII

GRIEVANCES

7.1 Definitions

7.1.1 A "grievance" is a formal written allegation by a member or members of the bargaining unit, or by the Association, who has been directly affected by an alleged violation of the specified provisions of this Agreement. Actions to challenge or change the policies of the District as set forth in the Board Policies, Administrative Regulations and Procedures, must be undertaken under separate legal processes.

7.1.2 The "aggrieved" is a teacher or teachers, including the Association or representatives thereof, making the claim.

7.1.3 The "District" means the Governing Board and/or its Administration.

7.1.4 "Working Days" mean days when teachers are required to be in attendance.

7.1.5 "Immediate supervisor" is the management person having immediate jurisdiction over the aggrieved.

7.1.6 "Representative" is a person chosen by the Association to represent the aggrieved.

7.1.7 A "party at interest" is any person who might be required to take action, or against whom action might be taken, in order to resolve the claim.

7.2 Purpose

7.2.1 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise out of interpretation or administration of the contract. Both parties agree that these proceedings need to be kept as informal and confidential as may be appropriate at any level of the procedure.

7.2.2 The intent of this procedure is to encourage resolution of conflicts prior to formal grievance and to provide the mechanism for their resolution. Parties involved are encouraged to discuss, informally, potential grievances to resolve and/or clarify issues.

7.2.3 Nothing contained herein will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration, and to have the grievance adjusted without intervention by the Association, provided that the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given an opportunity to be present at such adjustment and to express its views.

7.3 Time Limits

7.3.1 Since it is important that grievances be processed as rapidly as possible, the time limits specified at each level should be considered to be maximums and every effort should be made to expedite the process. The time limits set forth in this procedure may be extended by mutual agreement between the District and the grievant and/or grievant's representative. When considering extension requests, the parties should consider reasons, including but not limited to, illness, emergency, or whether

extension of the timelines might facilitate settlement of the dispute.

7.3.2 In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year could result in harm to an aggrieved person, the time limits set forth herein will be reduced so that the procedure may be exhausted prior to the end of the school year or not later than July 1.

7.3.3 Except by mutual agreement, failure by the administrator/ supervisor, at any step, to communicate a decision within the specified time limit means that the grievance shall advance to the next step. Failure by the grievant to adhere to the time guidelines means that the grievance has been resolved.

7.4 Grievance Resolution

7.4.1 Level One: Within fifteen (15) working days after a teacher knows, or with the exercise of due diligence should have known, of a violation of this Agreement, he/she may begin the procedure. An aggrieved person will first discuss the written grievance with the appropriate principal or immediate supervisor, either directly or through the Association's designated grievance representative with the objective of resolving the matter informally. The immediate supervisor will notify the Association and the aggrieved in writing within seven (7) working days of the disposition. Specific written reasons shall be given for the denial of the grievance. A Level Two written grievance may not be filed until after receipt of the supervisor's written response, or until after the time for issuing such response has expired, pursuant to the timelines set forth in Section 7.4.2 below.

7.4.2 Level Two: If the aggrieved person is not satisfied with the disposition of the grievance at Level One, or if no written decision has been rendered within seven (7) working days after presentation of the grievance, he/she may file the grievance in writing simultaneously with the Association grievance representative and the Superintendent or designee within seven (7) working days after the written decision

at Level One. Within seven (7) working days after receipt of the written grievance by the Superintendent, the Superintendent or his/her designee will meet with the aggrieved person and a representative of the Association in an effort to resolve it. The Superintendent or designee will notify the Association and the aggrieved in writing within seven (7) working days of the disposition. Specific written reasons shall be given for the denial of the grievance.

7.4.2.1 Initiating Grievance at Level Two: If a grievance arises from action or inaction on the part of a member of the administration at a level above the principal or immediate supervisor, the aggrieved person shall begin the procedure at Level Two pursuant to the following procedure:

7.4.2.1.1 Within fifteen (15) working days after a teacher or the Association knows, or with the exercise of due diligence should have known, of a violation of this Agreement, the grievant(s) will first meet and discuss the alleged grievance with the Superintendent/designee. At this meeting, grievant(s) shall present to the Superintendent/designee a written statement of grievance on the approved form. A written disposition shall be issued by the Superintendent/designee within fifteen (15) working days of such meeting.

7.4.2.1.2 If the aggrieved person is not satisfied with the disposition of the grievance, he/she may file a Level Three written grievance within fifteen (15) working days after receipt of the disposition, or if no written disposition is received, within fifteen (15) working days after the informal Level Two conference.

7.4.2.1.3 The Association may initiate and pursue a grievance under this Section through all levels of the grievance

procedure, even though the individual aggrieved person does not wish to do so.

7.4.3 Level Three: If the grievant is not satisfied with the decision at Level Two, the Association shall notify the District of its intention to move the issue to arbitration. After receipt of notification, the Association and the District shall have 10 days to attempt to select a mutually agreed upon arbitrator. If no agreement can be reached, the Association shall request a list of five (5) arbitrators from the State or American Arbitration Association. The District and the Association shall meet to alternately strike names from the list until only one name remains. The order shall be determined by coin toss. The final decision to arbitrate shall rest entirely with the Association.

7.4.4 The Association and the District shall attempt to agree upon an arbitrator within a ten (10) day period. If no agreement can be reached, they shall request the State Conciliation Service or American Arbitration Association to supply a panel of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the arbitrator. The order of striking shall be determined by lot.

7.4.5 The fees and expenses of the arbitrator and the stenographer, when requested, shall be borne equally by the District and the Association. All other expenses shall be borne by the party incurring them. Arbitration shall be conducted under the voluntary labor arbitration rules of the American Arbitration Association.

7.4.6 The arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues submitted to him/her. If the parties cannot agree upon a submission agreement, the arbitrator shall determine issues by referring to the written grievance and the answers thereto at each step.

7.4.6.1 The arbitrator will have no power to add to, subtract from, or modify

the terms of this Agreement.

7.4.6.2 After a hearing and after both parties have had an opportunity to make written or oral argument, when desired, the arbitrator shall submit in writing to all parties his/her findings and recommendations, which shall be binding on both parties.

7.5 Rights of Teachers to Representation

7.5.1 No reprisals of any kind will be taken by the Superintendent or by any member or representative of the administration or the Board against any aggrieved person, any party at interest, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

7.5.1.1 No party at interest shall take reprisals affecting the employment status of any teacher who is a party at interest, any Association representative, or any other participant in the procedure.

7.5.2 A teacher shall be represented at all stages of the grievance procedure by himself/herself, or, at his/her option, by a representative selected by the Association. If a teacher is not represented by the Association or its representative, an Association representative shall have the right to be present and to state its views at all stages of the grievance procedure.

7.6 General Provisions

7.6.1 Decisions rendered at Levels One and Two of the grievance procedure will be in writing, setting forth the decision and the reasons thereof, and will be transmitted promptly to all parties at interest and to the Association. Time limits for appeal provided in each level shall begin the day following receipt of written decision by the parties in interest.

7.6.2 When it is necessary for a representative designated by the Association to investigate a grievance or attend a grievance meeting or hearing during the day, he/she will, upon twenty-four (24) hour notice to his/her Principal or immediate supervisor by the President of the Association, be released without loss of pay in

order to permit participation in the foregoing activities. Any teacher who is requested to appear in investigations, as a witness, will be accorded the same right.

- 7.6.2.1 The District shall be required to grant release time only to the Association President and/or representative who will present the grievant's case at a grievance meeting or arbitration and to witnesses who will be called to testify at an arbitration hearing. Such release time will not be granted if the 24-hour notice requirement in Section 7.6.2 is not met.
- 7.6.2.2 Any individuals released pursuant to Section 7.6.2.1 shall, if their participation in grievance proceedings/process ceases prior to the end of their normal workday, be required to return to their site and perform duties as assigned by the principal and/or school-related tasks. Individuals assigned to perform such duties shall not be required to do non-bargaining unit work.
- 7.6.3 All documents, communications and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the personnel file of any of the participants.
- 7.6.4 Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents will be prepared jointly by the Superintendent and the Association and given appropriate distribution by the Association so as to facilitate operation of the grievance procedure.
- 7.6.5 A clear, concise statement of the grievance, the circumstances involved, the section of the Agreement alleged to have been violated, the decision rendered at the informal conference, and the specific remedy sought shall be included on each form.
- 7.6.6 Should an aggrieved teacher not be under the supervision of a principal or immediate supervisor; the grievance process may be initiated at Level Two.
- 7.6.7 Grievances of a similar or like nature shall be joined as a single grievance by mutual agreement of the District and the Association.

ARTICLE VIII

COMPLAINT RESOLUTION

This procedure is to be used when violations or alleged violations of District policies, procedures and practices or unfair or unequal treatment occur outside this Agreement and is not subject to ARTICLE VII – GRIEVANCE.

Public Complaint Procedure

- 8.1 No disciplinary action, negative and/or unsatisfactory evaluation, shall be taken based upon information received from a complaint from a member of the public or an employee of the District unless the following procedure has been followed.
- 8.2 The bargaining unit member will be advised of the existence and substance of the complaint within five (5) workdays of the receipt of the complaint by the district. All complaints shall be completed on the mutually-agreed upon form called "Mt. Pleasant Complaint Form" (see Addendum C) and a copy shall be provided to the member.
- 8.3 The supervisor shall commence a fair, complete, and impartial investigation as soon as possible after receiving the complaint. Should either party or the administrator believe the allegations in the complaint warrant a meeting, the immediate supervisor shall schedule a meeting between the bargaining unit member and the complainant. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally. The employee, their representative, or the district's representative to repeat the complaint orally. The employee, their representative, or the district's representative shall also have an opportunity to present information relevant to the complaint orally or in writing. If such a meeting is scheduled during the bargaining unit members normal work time, the bargaining unit member will be released without loss of pay to attend the meeting. The complainant may be accompanied at such meeting by an advocate.
- 8.4 To ensure that all pertinent facts are made available, the supervisor may interview or collect written statements from other relevant parties. The supervisor shall conclude the

initial investigation within 10 days of receiving the written complaint. This timeline may be extended if relevant parties are not available. Within 10 days of the conclusion of the investigation, 20 days from the receipt of the complaint, the supervisor shall deliver to the complainant and the accused a written report of the findings of the investigation.

The findings shall include:

1. The disposition of the complaint, including corrective actions, if any.
2. The rationale for the above disposition.
3. A detailed statement of all specific issues that were brought up during the investigation and the extent to which these issues were resolved.
4. Notice of the complainant or accused right to appeal the decision to the next level.

8.4 If an employee is disciplined as a result of the complaint, this report shall simply state that action was taken and the employee was informed of District expectations. The report shall not give any further information as to the nature of any action.

8.5 Complaints which are withdrawn or determined by the District to be false, shall neither be placed in the bargaining unit member's personnel file nor utilized in any evaluation or disciplinary action against the bargaining unit member. Should the District determine that the substance of a complaint is true after following the above procedure, the District may take disciplinary action as listed in Article XII. If no determination can be made as to the true or false nature of the complaint, the original written Public Complaint Form shall be placed in a site file for the remainder of the school year. If a similar complaint against the same bargaining unit member is made within that school year, the first complaint shall become a part of the new complaint and dealt with in a manner consistent with the principles of progressive discipline and those listed in Article XII.

8.6 If the member believes the decision by the Supervisor is in error, the member may appeal in writing directly to the Superintendent or their designee or follow procedures as outlined in the Article VII. If the Superintendent or designee receives an appeal, they will conduct their own impartial, fair, and complete investigation and issue a written

response to the member within ten (10) days of receiving the appeal. This timeline line may be extended if relevant parties are not available.

TIMELINE

Step 1. Complainant files written complaint with the District. Complaint is given to the immediate supervisor. Within five (5) days, the member receives a copy of the complaint.

Step 2. Within ten (10) days, the Supervisor completes the investigation of the Complaint.

Step 3. Within twenty (20) days from receiving the complaint, the Supervisor shall deliver a written Findings Report to the complainant and the member.

//

- 9.4 On days when unit members are scheduled to work and pupils are not to be present or on rescheduled days, the unit members shall be expected to be present the same hours as on a regularly scheduled day. On days of emergency release of pupils, the unit members shall be released at the same time as the pupils.
- 9.5 Unit members at the middle school shall be granted one daily period out of six periods exclusive for preparation, planning, conferencing and counseling.
- 9.6 Substitution by Middle School Unit Members
- 9.6.1 The following procedure shall be used for the assignment of substitute unit members at August Boeger Middle School in the event of an emergency:
- 9.6.1.1 The District shall follow the practice of calling for substitute unit members up to the third instructional period of the day (up to approximately 9:45 a.m.).
- 9.6.1.2 In the event of an emergency, i.e., where needed substitutes have not been secured, the District shall attempt to obtain substitutes throughout the instructional day.

- 9.6.1.5 Only in the event of a genuine emergency situation where no volunteers come forth and a site administrator is already substitute teaching (or unable to do so for the reasons specified in Sections 9.6.1.4 and 9.6.1.5 above) shall classroom unit members as a last alternative be directed in writing by the site administrator to substitute teach during their preparation time, provided that:
 - 9.6.1.5.1 A unit member so directed may decline based on good cause. In such case, the site administrator shall attempt to secure a substitute from among those unit members who have the same preparation period and are thus available.
 - 9.6.1.5.1.1 If no other unit member is available, the unit member first

directed to substitute shall substitute teach during his or her preparation period.

9.6.1.5.1.2 If the site administrator secures a unit member to substitute teach other than the unit member first directed, the first directed unit member shall be the first unit member directed to substitute in the event of a succeeding emergency situation.

9.6.1.5.1.3 Should a unit member decline to substitute teach when first directed and the site administrator secures another substitute, it is presumed that the declining unit member shall substitute teach in the event of a succeeding emergency situation unless the judgment of the site administrator dictates otherwise.

9.6.1.6 Emergency substitute teaching assignments shall be made on an equitable basis.

9.6.1.7 Unit members shall have access to a monthly updated report of emergency substitute services performed by all unit members.

9.7 Substitution by Elementary School Unit Member:

9.7.1 The following procedure shall be used for the assignment of substitute unit members at elementary schools in the event of an emergency:

9.7.1.1 The District shall follow the practice of calling for substitute unit members up to approximately 9:45 a.m.

9.7.1.2 In the event of an emergency, i.e., where needed substitutes have not been secured, the District shall attempt to obtain substitutes throughout the instructional day.

9.7.1.3 In the event of a genuine emergency where no substitutes are available, an administrator shall substitute teach unless:

9.7.1.3.1 He or she is absent from District premises;

9.7.1.3.2 He or she has a pressing prior commitment (i.e., parent conference, student disciplinary conference, unit member evaluation conference, significant District business, etc.).

9.7.2 At each elementary site prior to September 15 of each year the Certificated Staff and the Administrator(s) shall work out an equitable procedure for substituting. A copy of the school's plan for substituting shall be sent to the Superintendent and the President of MPEA no later than September 30 of each year. This procedure will be set in motion only in the event of a genuine emergency where an administrator is substituting. The following procedure shall be used for the assignment of regular unit members to act as substitutes (by taking additional students) at elementary schools of the District.

9.7.2.1 Elementary unit members who have been given extra students during the day, when no other substitute can be found (split classes), shall be paid \$13 per day per student.

9.7.2.2 Kindergarten unit members shall not substitute during their regular non-instructional time.

9.7.2.2.1 The District shall exhaust all substitute services and lists prior to dividing a class and assigning those students to other bargaining unit members for the day a substitute cannot be procured. 9.8 The maximum regular daily instructional time for unit members on Monday, Tuesday, Thursday and Friday shall be:

Kindergarten	295 minutes
1-3	310 minutes
4-6	320 minutes
7-8	325 minutes (minus one period prep time)

Exceptions to this instructional time shall occur on early release days and the last day of school, which shall be a "state minimum day" (which is currently 240 minutes).

9.8.1.1 There will be a transitional period such that the full day TK/Kindergarten program will begin the seventh week of each school year. The first six (6) weeks of instruction shall be 240 minutes of student instruction per day.

9.8.1.2 Each TK/Kindergarten class will receive 110 minutes of paraprofessional time per day M-F to support differentiated instruction. ARTICLE XIII

LEAVE PROVISIONS

13.1 The benefits which are expressly provided by this Section, Article XIII, are the sole leave benefits which are part of this collective agreement, and it is agreed that other statutory or regulatory leave benefits are not incorporated, either directly or implied, into this Agreement, only implementation of such other benefits subject to the grievance procedure, Article VII.

13.2 *Personal Illness and Injury Leave*

13.2.1 Full-time unit members shall be entitled to ten (10) days of leave with full pay for each school year for purposes of personal illness or injury. Unit members who work less than full-time shall be entitled to that portion of the ten (10) days of leave as the number of hours per week of schedule duty relates to the number of hours for a full-time unit member in a comparable position.

13.2.2 After all earned leave as set forth in 13.2.1 and all accumulated sick leave as set forth in 13.2.3 are exhausted, additional non-accumulated leave shall be available beginning on the eleventh (11th) day of absence due to illness or injury for a period not to exceed five (5) school months (or one hundred (100) school days), provided that the provisions of 13.2.4 are met. The amount deducted for leave purposes from the unit member's salary shall be the amount actually paid a daily substitute employed to fill the position during the leave, or if no substitute is employed, the amount which would have been paid to a daily substitute. In no event shall additional non-accumulated leave exceed one hundred (100) days in any school year. Only one (1) such non-accumulated leave shall be allowed for any single and continuous absence that extends into the next school year. The unit member and the Association are to be notified in writing by the Superintendent when sixty (60) workdays have been expended.

13.2.3 If a unit member does not utilize the full amount of leave as authorized in 13.2.1 in any school year, the amount not utilized shall be accumulated from year to year.

The Board shall provide each unit member with a written statement of (1) his/her accrued sick leave total and (2) his/her sick leave entitlement for the school year. Such statement shall be provided no later than the third week of each school year.

13.2.4 After a unit member has had a continuous absence of five (5) days, the unit member, upon request by District management, may be required to present a physician's release authorizing return to work. The District may also require a medical doctor's verification to the Superintendent or designee that the illness or injury is sufficiently severe to warrant continued absence. Absent such verification, the District, after notice to the unit member, may refuse to grant such leave. When required to have a doctor's verification, the District will pay doctor's expenses for the report.

13.2.4.1 Upon documented reasonable cause; the District may require a unit member who has claimed sick leave to submit a physician's verification of illness. The District shall reimburse the unit member for the cost of such verification.

13.2.5 Whenever possible, a unit member must contact his/her immediate supervisor (through the Substitute Service) as soon as the need to be absent is known, but in no event less than one and one-half (1-1/2) hours prior to the start of the work day, to permit the employer time to secure substitute service.

13.2.6 A unit member who is absent three and one-half (3.5) hours or less per day, inclusive of the one-half (1/2) hour before and after the instructional day, shall have deducted one-half (1/2) day from the accumulated leave; and if the absence exceeds 3.5 hours, inclusive of the one-half (1/2) hour before and after the instructional day, a full day shall be deducted from accumulated leave. This calculation is for the purpose of defining leaves only and has no relation to, nor effect on, the length of the duty day.

13.3 *Personal Necessity Leave*

13.3.1 Leave, which is credited under 13.2.1 of this Article, may be used, at the unit member's election, for purposes of personal necessity, provided that use of such

personal necessity leave does not exceed ten (10) days in any school year. Except in an emergency situation, Personal Necessity Leave may not exceed three (3) consecutive days without prior notification to the supervisor.

13.3.2 A unit member shall not be required to secure advance permission to use Personal Necessity Leave.

13.3.2.1 *Personal Necessity means:*

13.3.2.1.1 A business or civic endeavor or activity which cannot be conducted before or after the school day.

13.3.2.1.2 Death or serious illness of a member of his/her immediate family.

13.3.2.1.3 Accident involving his/her person or property or his/her immediate family.

13.3.2.1.4 Observance of a traditional religious holiday, provided that notice is given to the District at least five (5) working days prior to the date of the holiday.

13.3.3 Should circumstances arise requiring personal necessity, the unit member shall make every effort to comply with District Procedures to enable the District to secure a substitute, as provided in 13.2.5.

13.3.4 Under all circumstances, a unit member shall input their absence on the district's Absence Management system (Frontline Education formerly Aesop) or as referred to as "Substitute Service" in 13.2.5.

13.4 *Bereavement Leave*

13.4.1 A unit member shall be entitled to a maximum of four (4) days of absence, or six (6) days of leave of absence if four hundred (400) miles travel is needed, without loss of salary on account of the death of any immediate family member. Bereavement Leave shall not be deducted from a unit member's sick leave.

13.4.2 For purposes of this provision, an immediate family member shall be limited to mother, father, registered domestic partner under state law, step-mother, step-

father, step-son, step-daughter, step-brother, step-sister, foster parent, foster child, grandmother, grandfather, grandchild, son, son-in-law, daughter, daughter-in-law, brother, sister, aunt, uncle, niece, nephew of the employee or of the spouse of the employee and any person living in the home, or the immediate family (as defined above) of the registered domestic partner or spouse. Also included is the parent of the employee's child or any exceptions granted by the Superintendent. Upon request of the employee, Human Resources may grant Bereavement Leave for persons not listed above, provide however that these decisions are case by case and shall not establish a precedent.

13.4.3 A unit member shall notify the District of the need to be absent as soon as possible and also state the expected duration of the absence to enable the District to secure a substitute.

13.4.4 If the District reasonably suspects abuse of this leave, it may require the unit member to verify in writing that bereavement leave was used only for the purpose set forth in 13.4.1.

13.4.5 The Board shall require the use of Bereavement Leave before Personal Necessity Leave days are used for purposes allowed in this Section.

13.5 *Pregnancy Disability and Child Bonding Leaves*

13.5.1 Pregnancy Disability Leave: The Board of Education shall grant a pregnancy disability leave of absence as provided by law to a female unit member who will be absent from her duties due to pregnancy, miscarriage, childbirth and recovery therefrom (hereafter referred to collectively as "pregnancy" for purposes of sections 13.5.1-13.5.6). Pregnancy shall be treated as a disability. Therefore, accumulated sick leave shall be utilized by a unit member for absences due to pregnancy when a statement from the individual's physician indicates that the unit member is unable to work.

13.5.2 Except in an emergency, the employee shall provide written notice to inform the employer that the employee needs leave prior to the date when leave is desired,

stating the approximate date the leave shall begin and the approximate date the unit member expects to resume her duties. In an emergency, this written notice shall be provided as soon as practicable. The length of the leave of absence including the date on which the unit member shall resume duties, shall be determined by the unit member and the unit member's physician.

13.5.3 During absences necessitated by pregnancy the unit member's sick leave benefits shall be utilized as provided in Education Code 44965. When such disability occurs, the unit member shall be responsible for having her physician send a letter to the Human Resources Department stating the beginning date of disability. When the disability ceases, the unit member shall have her physician send a letter to the Human Resources Department stating the disability termination date and that the unit member is able to resume all duties associated with her position. Should the requested leave of absence begin prior to the beginning date of disability and extend beyond the disability termination date, these periods of time shall not be eligible for sick leave benefits except as provided in section 13.5.7 (Child Bonding Leave).

13.5.4 The District will pay its amount of unit member benefits during the period of the disability.

13.5.5 When the unit member has notified the District of the date to resume duties, the unit member's reinstatement shall commence on that date. If the original reinstatement date will be changed, written notification shall be given by the unit member to the Human Resources Department at least five (5) days prior to the resumption of duties. Prior to the termination of the pregnancy disability leave, the unit member may request Child Bonding Leave.

13.5.6 Advancement on the salary schedule shall be in accordance with Article. XVII.

13.5.7 Child Bonding Leave:

Unit members may elect to utilize up to 12 weeks of child bonding leave occasioned by the birth of the unit member's child, or the placement of a child

with the unit member in connection with the unit member's adoption or foster care of the child as provided by the California Family Rights Act (CFRA). The employee shall provide to the Human Resources Department written notice to inform the employer that the employee needs leave prior to the date when leave is desired, stating the approximate date the leave shall begin and the approximate date the unit member expects to resume her duties.

- 13.5.7.1 For mothers, the 12-week child bonding leave shall commence at the conclusion of (but need not be taken immediately following) any pregnancy disability leave. Days of bonding leave need not be taken consecutively.
- 13.5.7.2 For non-birthing parents, the 12-week child bonding leave shall commence on the first day of such leave.
- 13.5.7.3 Pursuant to Education Code section 44977.5, if a unit member exhausts his/her accumulated sick leave prior to expiration of the 12-week child bonding leave, she/he shall be entitled to differential pay as defined in section 13.2.2 above for the balance of the 12-week period.
- 13.5.7.4 Any child bonding leave (s) taken shall be concluded within one year of the birth or placement of the child with the employee in connection with the adoption or foster care of the child by the employee. Pursuant to the CFRA, leave in this section may be taken non-consecutively. The minimum duration of the leave shall be two weeks, except that employers must grant a request for a leave of less than two weeks duration on any two occasions and may grant requests for additional occasions of leave lasting less than two weeks.
- 13.5.7.5 Pursuant to Education Code section 44977.5, in order to qualify for child bonding leave, employees must have completed one

year (twelve months of service) for the District, but are not required to have at least 1,250 hours of service during the previous one year (twelve months) period.

13.5.8 The Board shall not refuse to do any of the following because of unit member's pregnancy:

13.5.8.1 Hire or employ.

13.5.8.2 Select her for a training program leading to employment, reassignment or promotion.

13.5.8.3 Prohibit or discharge her from employment.

13.5.8.4 Prohibit her from a training program leading to employment, reassignment or promotion.

13.5.8.5 Discriminate against her in compensation or in terms, conditions, and privileges of employment.

13.5.9 Unit members temporarily disabled due to pregnancy, or childbirth/recovery shall receive the same benefits as all other unit members temporarily disabled as certified by a physician.

13.5.10 A unit member shall be entitled upon request to an unpaid leave to begin at any time between the birth or adoption of their child and one (1) year thereafter.

13.5.11 *Family Care and Medical Leave* – The District will comply with the federal Family and Medical Leave Act of 1993, the California Family Rights Act, and state and federal regulations implementing such laws.

13.6 *Industrial Accident Leave*

13.6.1 Unit members shall be entitled to industrial accident leave according to provisions in Education Code Section 44984 for personal injury, which was qualified for worker's compensation under the provisions of the State Compensation Insurance Fund.

13.6.2 Such leave shall not exceed seventy-five (75) working days during which the schools of the District are required to be in session, or when the unit member would

otherwise have been performing work for the District in any one fiscal year for the same industrial accident. When such leave overlaps into the next fiscal year, the unit member shall be entitled to only the amount of unused leave due him/her for the same illness or injury.

13.6.3 The District has the right to have the unit member examined by a physician designated by the district to assist in determining the length of time during which the unit member will be temporarily unable to perform assigned duties to which a disability is attributable to the injury involved. When required to have a doctor's report, the District will pay doctor's expenses for the report.

13.6.4 For any days of absence from duty as a result of the same industrial accident the unit member shall endorse to the District any wage loss benefit check from the State Compensation Insurance Fund which would make the total compensation from both sources exceed one hundred percent (100%) of the amount the unit member would have received as salary had there been no industrial accident or illness.

Prior to such termination, the District shall specifically have notified the unit member at least ten (10) days in advance of the March 1 intent to return deadline.

13.16 *Duration Limits of Leaves*

ASSIGNMENTS, REASSIGNMENTS, TRANSFERS AND FILLING OF VACANCIES

14.1 Assignment and Reassignment

14.1.1 For purposes of this Article, "assignment" is a designation of a specific position or responsibilities within a school or department or work location. Assignment includes the initial placement of a newly employed bargaining unit member in a specific school or work location. "Reassignment" is the change of unit member's position or responsibilities within the same school or department or work location.

14.1.2 The principal shall assign bargaining unit members. These assignments shall be done in writing no later than May 7 and shall be based on information known at that time. Such assignments shall include specific course titles and grades (7–8) or specific grade level and site assignments for K–6. All other bargaining unit members will be given specific assignments and location(s). All known unit member open positions for all work sites shall be emailed to all unit members and posted no later than May 7. Such positions may or may not be filled by the District based on student enrollment.

14.1.2.1 Unit members requesting reassignment and unit members being reassigned within a school shall be given first consideration for placement into open assignments within the school before outside voluntary transferees are considered. In making all assignments and reassignments the principal shall consider the unit member's training, experience, seniority, major and minor fields of study, competencies, credentials and advanced degrees.

14.1.2.2 The principal shall make every effort to find a volunteer prior to imposing an involuntary reassignment for any unit member in a self-contained assignment; which currently includes grade levels K-6, K-8 at Ida Jew Academies, and grade 6 at August Boeger. However, if there

are no volunteers the principal shall initiate the involuntary reassignment. Nothing herein requires the principal to reassign volunteers instead of making an involuntary reassignment.

14.1.2.3 The District shall notify, in writing, the unit member of the acceptance or denial of the assignment. A unit member may request the reasons for assignment to be given in writing.

14.1.3 The principal shall make every effort to make assignments within a grade level span of three (3) years. The member's current grade level shall be counted as one (1) year and the span as (2) additional grade level changes. For combination classes, the current higher grade shall be counted as one (1) year for a change in assignment to a lower grade, and the lower grade level shall be counted as one (1) year for a change in assignment to a higher grade. The principal shall also give consideration to keeping the unit member within the same department.

14.1.4 A bargaining unit member who is transferred during the school year shall be given three (3) working days without teaching responsibilities to prepare. A bargaining unit member who is reassigned during the school year shall be given one (1) to three (3) days without teaching responsibilities to prepare. The bargaining unit member may refuse, in writing, the right for up to (2) days of preparation. Unit members may request days without teaching responsibilities in excess of the amount provided in this section. Such requests shall be made to the principal and will be subject to the Superintendent or Superintendent's designee approval.

14.2 Transfers

14.2.1 For purposes of this Article, a "transfer" shall consist of the change in work location of a member of the unit from one school or work site to another school or work site within the District. A unit member assigned to more than one work site shall be considered as being transferred only when moved from one District-wide program to another program. A transfer may be initiated by a unit member ("voluntary") or by the Superintendent ("involuntary").

14.2.2 Voluntary Transfers as a Result of Posting and Filling of Vacancies

14.2.2.1 A "vacancy" is a new position, an opening arising from a resignation, retirement, termination or layoff, or any position to which a unit member is not assigned or which is no committed for purposes of leaves and unresolved involuntary transfers.

14.2.2.2 Vacancies which arise during the school term for the subsequent or current school term shall be announced by the Personnel Office by posting a notice through District email and at each school site and forwarding copies to the office of the Association within five (5) working days of the approved vacancies.

14.2.2.3 A member of the unit may request, in writing, a transfer after completing two (2) years of service in the District. The transfer requests may be submitted to the Personnel Office at any time and shall remain active until September 1 of each school year. The Personnel Office shall keep an accurate record of all transfer requests.

14.2.2.3.1 The District shall schedule interviews with all unit members who have requested transfer to a vacancy for which they are qualified.

14.2.2.3.2 The District shall notify in writing the unit member of the acceptance or denial of the transfer request. This notice shall contain the specific reason(s) for denial.

14.2.2.3.3 If an approved vacancy arises during the summer months, within five (5) calendar days a copy of the "posting" of the vacancy shall be emailed to all unit members through District email and mailed to any unit member who has submitted an "Intent Form" or other written request to be notified of such vacancies to the Personnel Office. The posting shall be mailed to the official payroll address on file with the District; it shall

be the unit member's responsibility to maintain a correct address on file. Upon receipt of such a posting, a unit member must notify the Personnel Office in writing, within ten (10) calendar days of the date the posting was mailed, of his/her wish to be considered for the vacancy. In such event, the unit member shall be considered for the position in accordance with the following.

14.2.2.3.3.1 The Personnel Office Shall schedule an interview within (10) calendar days of the closing date of the vacancy.

14.2.2.3.3.2 The Personnel Office shall notify in writing the unit member(s) requesting transfer of the acceptance or denial of the request. The notice shall provide the reason(s) for denial.

14.2.2.4 The request for transfer will be sent to the Personnel Office with a copy to the appropriate administrator at the unit member's work site. A conference with the Superintendent shall be held at the request of the member of the unit of the Personnel Office in order to discuss the request.

14.2.2.5 For purposes of selection between two or more unit members requesting transfer to a vacant position, the Superintendent shall consider the seniority, training, experience, major and minor fields or study, competencies, past evaluations, and advanced degrees of each unit member.

14.2.2.6 When the Superintendent has considered two or more members requesting a transfer to a vacant position to be equal on the basis of training, experience, major and minor fields of study, competencies, credentials, past evaluations and advanced degrees, the unit member

with the most District-wide seniority shall be selected for transfer to the vacant position.

14.2.2.7 Only one voluntary transfer may be granted per unit member in any one (1) school year.

14.2.2.8 All voluntary transfers shall be filled in compliance with Education Code section 35036 and the provisions of this Agreement shall be construed to be and implemented in compliance with section 35036.

14.2.3 Involuntary Transfers

14.2.3.1 The district shall make every effort to find a volunteer prior to imposing an involuntary transfer for any unit member. However, if there are no volunteers the Superintendent shall initiate the involuntary transfer. Nothing herein requires the Superintendent to transfer volunteers instead of making an involuntary transfer. Involuntary transfers may be initiated for reason which shall include, but not be limited to the following: reasons which shall include, but not limited to, the following:

14.2.3.1.1 The needs of the District;

14.2.3.1.2 Filling a vacancy(s);

14.2.3.1.3 Accommodating the special staffing needs or scheduling needs and/or requirement of any school(s) or department(s);

14.2.3.1.4 Initiation, reduction or expansion of a program.

14.2.3.2 When the Superintendent has considered two (2) or more members for an involuntary transfer to a vacant position to be equal on the basis of training, experience, major and minor fields of study, competencies, credentials, past evaluations and advanced degrees, the unit member with the least District-wide seniority shall be selected for the involuntary transfer.

14.2.3.3 The Association and any member of the unit who is to be involuntarily

transferred shall be informed during a conference by the Superintendent of the reason(s) for the transfer. The conference shall be held no less than five (5) working days prior to the issuance of the notice unless unavoidable circumstances prevent such prior notification.

14.2.3.4 The Superintendent shall not involuntarily transfer a unit member more than once in a three-school-year period. However, if the unit member voluntarily does not complete the school year at the site to which he/she was involuntarily transferred, the involuntary transfer shall be considered void for the purposes of this Article.

14.2.3.5 An involuntary transfer log shall be maintained in the Office of the Superintendent.

14.3 Reassignments and Transfers Due to Certificated Layoffs

14.3.1 For purposes of Article 14.3, "reassignment" and "transfer" shall be defined as an involuntary change to a different program and/or a movement from one work site to another work site (section 14.2 transfer) or a change of grade level or department within one school or work site (section 14.1.1 reassignment) which results from certificated layoffs pursuant to Education Code Section 44955 and which may be necessary to assure the retention of certificated employees with seniority greater than those being laid off. This definition specifically excludes any reassignment, transfer or change in program assignment which does not result from the District's obligation to reassign pursuant to Section 44955 of the Education Code.

14.3.2 When the District determines that a transfer or reassignment is necessary the following procedures shall be implemented:

14.3.2.1 The District shall notify the Association that a transfer or reassignment is necessary. A meeting between the Association and the District shall be scheduled to discuss the District's plan to transfer or reassign bargaining unit members.

14.3.2.2 Unit members who are affected by the transfer or reassignment plan

shall be invited by the Association to attend a joint meeting (District and Association) where they shall be afforded an opportunity to respond to the plan.

14.3.2.3 Any unit member scheduled to be transferred or reassigned shall be entitled to a written notice of such transfer or reassignment within ten (10) calendar days of the effective date of such transfer or reassignment; and in addition, upon request, will be entitled to a conference with the principal and the Superintendent regarding the transfer or reassignment, at which time the unit member will be provided with the reasons for the transfer or reassignment and with the opportunity to discuss those reasons.

14.3.2.4 Based on district seniority unit members who are transferred or reassigned under article 14.3 shall have first priority to return to the school, grade level, or department from which they were transferred or reassigned, if an assignment exists for which they meet the credentialing requirements and after the District has exhausted its obligation to any employee who retains re-employment rights. The District may post that position as a vacancy.

14.4 The reasons for an assignment, reassignment or transfer shall be grievable through Level Two (Superintendent/Designee) of Article VII of this Agreement.

14.5 Moving of Materials: Upon notice to the principal/immediate supervisor, the District shall move a teacher's materials to a new location when the teacher's work location changes (reassignment or transfer). For purposes of this Section, "materials" is limited to classroom instructional materials and other classroom-related equipment, and shall specifically exclude personal items not used for educational purposes. The last teacher workday shall be utilized by the teacher to prepare materials for moving.

14.6 Teachers who are transferred or reassigned into a new subject area or grade level shall be given the curriculum materials and teaching manuals for their new assignments within ten

(10) workdays of their new assignments.

14.6.1 When a new classroom is established, an additional \$1,000 shall be allocated to the decentralized budget of the affected school for the purpose of materials for classroom use in setting up the new classroom.
